4 Bedroom House For Sale in Golf Park

This beautiful property is nearly off the grid, featuring solar power, a borehole, and both gas and electric geysers. It offers two studies, built-in wardrobes, full outside amenities, and two storage rooms, all situated against a peaceful golf course. Inside, there are four bedrooms, two of which are en suite, along with two separate bathrooms, two lounge areas, a central fireplace, and a spacious pantry. There are hallway-storage cupboards in the halls as well. The exterior includes a three-car garage, an additional two-car parking space under a canopy, a pool, a metal-roofed lapa, and an enclosed patio providing ample space for relaxation and entertainment.
